MEMORANDUM FOR DIRECTOR, CENTRAL INTELLIGENCE AGENCY

ATTN: [REDACTED] TALENT Control Officer, CIA

SUBJECT: Request for "T/KH" Security Certifications, USAF

1. Reference is made to your memorandum to Deputy Director (Plans), CIA, dated 16 January 1959. As the second step in implementing the arrangements for certifications provided in your memorandum, action is being taken to grant "T/KH" certifications to the following personnel of Strategic Air Command. Your concurrence is requested.

Name, Rank & Serial No.Duty Title

Col John P. Proctor, 3405A	SAC MIKE (SAC Liaison to AFEMD)
L/Col August F. Simon, 5309A	Collection Div, Hq SAC
L/Col James H. Bogart, 31106A	Dep Chief, Target Mat Div, Hq SAC
L/Col Harry C. McCool, 4939A	Dep Chief, Collection Div, Hq SAC
Maj Robert R. Orcutt, 39644A	Data Reprd Sec, 544th Recce Tech
Capt John B. Marks, 44525A	Air Estimates Div, Hq SAC
Capt Billy J. Parsons, AO 1865061	OIC, Control & Dist Unit, 544th
Capt James W. Westerbrook, AO 2235399	Chief, Special Proj Sec, 544th
Miss Betta A. Hetmanek	Collection Div, Hq SAC
Mrs. Caroline E. Conner	Target Material Div, Hq SAC
S/Sgt Frederick Montoya, AF 57500315	Adm Clerk, Res & Dissem Unit, 544th
S/Sgt Marvin R. Siegfried, AF 17278165	Adm Clerk, Exploit Br, 544th

2. These requirements for certifications were set forth by the Strategic Air Command prior to receipt or implementation of your TSC 4383-59 of 13 April 1959. It has been confirmed, however, in conference with SAC that the personnel identified above require certification for "T/KH" prior to receipt of materials so that essential actions in relation to procurement of equipment, providing for security of a facility, planning for receipt and processing of materials, and identifying those who will require certification upon receipt of materials may proceed in an expeditious and orderly fashion.

3. Additional requirements for certifications will be submitted in phases in accordance with previous agreements.

MEMORANDUM FOR THE RECORD-

1. Approval was granted by the TSO/CIA to the TCO/USAF to remove from the "T" Control Center USAF (Annex 3) certain "T" material and/or reports to special areas within the Pentagon Proper in order that the material, reports, or graphics may be reviewed by top Air Force officials after which the material is to be returned to USAF "T" Control Center in Annex 3. These areas are:

USAF Estimates Area  
4B-897 The Pentagon  
(Lt. Col. Raymond W. Taylor)

AFOOP (Operations)  
BC-913 The Pentagon  
(Maj. Randa Brown)

2. The same precautions are to be exercised in protecting the material from being observed by unauthorized persons as is required in the "T" Control Centers.

3. "T" material to be charged to either of the above locations will be delivered to and logged at the "T" Center USAF (Annex 3). PIC couriers will effect deliveries to the above locations only upon specific approval of the Chief, DHD/PIC in each instance.

4. Both locations listed above in paragraph 1 are approved for SI and AFS but have not yet been inspected for "T".
